

International Digital Job Fair

In this very challenging time, IBM aims to support job seekers and business owners with the new social initiative called [SkillsBuild Reignite](#).

In addition to offering free access to skills and knowledge, we are hosting an international digital job fair to help our partners bring together job seekers with employers looking for IT-entry level talent.

At a glance

- + Free offering for your employer network and your learners
- + Support your employer network to find the best talent
- + Enhance the job opportunities for your learners
- + IT-entry level talent high-in demand (*Software Development, Cybersecurity, Linux System Administration, Data Analytics*)
- + All kinds of employment opportunities for learners (internship, apprenticeships, traineeships, part-time & full-time employment)
- + AI-based job matching
- + Virtual live-event for employer presentations, job interview trainings & initial job interviews
- + Tangible results for your employment efforts

Invite your employer network to:

- + Fill their open positions**
We are looking for all different kinds of open positions. (Internships, apprenticeships, traineeships, Part-time jobs, Full-time jobs, Local, international or remote work opportunities)
- + Preselect their candidates**
A free AI-based matching solution helps employers to find the best candidates for their open positions.
- + Interview their candidates**
A virtual live-event offers rooms for initial interviews.
- + Present their company**
They will meet more talent and present themselves as employers of choice during the virtual live-event.
- + Stay connected with their candidates**
The AI-based platform will keep you and your employers and up-to-date about your hiring efforts for 60 days

Invite your learners to:

+ Find the jobs to match their skills

Your learners will be invited to register their skills & experiences to be automatically matched to the best-fitting open jobs (local, international, remote).

+ Apply for open positions

Your learners will be automatically invited to apply for pre-selected open positions matching their skills, experiences & needs.

+ Practice interviews

They will have the opportunity to practice job interviews at the live event.

+ Initial interviews

They can be invited to initial job interviews at the live-event.

+ Meet other employers

Your learners will have the opportunity to meet many employers, to understand their projects, their company culture and their benefits.
